

INCLUDED CELL PHONE

Every rented vehicle is supplied with a complimentary cell phone, on loan to you, so you may communicate with one of our representatives at the touch of a button. Ask for directions or request assistance, we're always happy to assist you.

UNLIMITED MINUTES CELL PHONE PLAN

If you would like to use the supplied phone for personal calls (e.g. contact relatives, make reservations, etc.), then take advantage of our unlimited inbound international and domestic calls, as well as unlimited domestic outbound calls for only an additional \$5 per day or \$25 per week.

International outbound calls are billed at \$0.10 per minute to the U.S. and Canada. Contact us for calling rates to other countries or discounts on the unlimited phone plan during long-term rentals.

OPTIONAL 800 NUMBER

We will provide you with your own toll-free number upon request, allowing anyone in the U.S. and Canada to contact you at no expense to the person calling you. This service is offered at an additional \$0.20 per minute and will be billed to you at the end of the rental.

RETURN AND DELIVERY SERVICE

AIRPORT EXPRESS SERVICE

We offer a "meet and greet service" at the San José, Liberia and Quepos airports. When the exact arrival information is provided, you will be met at the arrival gate by one of our representatives holding a sign displaying your name.

HOTEL OR HOME DELIVERY

We deliver to most hotels and popular destinations throughout Costa Rica. To the greater San José area, we offer this service for an additional \$9.

INSURANCE

A. THIRD PARTY WAIVER (SUPPLEMENTAL LIABILITY INSURANCE (SLI))

The Third Party Waiver (SLI) protects renters from claims made by third parties for personal injuries and/or damage to property other than the rental vehicle.

SLI covers: (1) Personal injuries of bystanders outside the rented vehicle for claims up to \$150 Million or about \$280,000 (\$535 is approximately \$1.00) and (2) Damages to third party property up to \$280,000 with a zero deductible.

SLI coverage is mandatory in Costa Rica and, if alternate coverage cannot be validated, acceptance of SLI will be a condition of rental. **SLI is offered at \$11.95 per day and is included in the rate for both CDW options (below).**

Renters are liable for any loss or damage to the rental vehicle, regardless of who is at fault. Vamos provides authorized drivers with two options to cap the financial responsibility for loss of or damage to the rental vehicle through the purchase of Collision Damage Waiver (CDW). CDW is NOT insurance, rather a waiver of Vamos' rights to collect for such occurrences.

B. BASIC CDW WITH A \$975 DEDUCTIBLE

Basic CDW limits the liability due to vehicle damages and/or theft with a deductible of \$975. The cost for this waiver is between \$16.95 and \$18.95 per day, depending on make and model of rented vehicle.

C. FULL CDW WITH A \$0 DEDUCTIBLE

Same as Basic CDW, however there is a zero deductible for damage or theft. The daily rate for the waiver is between \$26.95 and \$31.95 per day (depending on make and model).

Most credit card car rental insurance waivers may be substituted for CDW. For details, please contact us.
